WHITEPAPER

INTRODUCTION

INTRODUCTION:

Vibranium was introduced in August 2023. It was inspired and birthed from the Marvel comics lore where it held it's spotlight as the rarest and most valuable metal.

Vibranium $VBNT is the first meme project in the world to launch on PulseChain and of which the creators will never and has never sold a single token as 100% of the supply was used to provide LIQUIDITY and all current circulating supply where Bought from the market including the 7.5% in the creators address which was also Bought and held for Future Liquidity, campaigns and Burning purpose.

$VBNT aims to take the Memecoin world by storm and demonstrate to the world why $VBNT will be the best performing Meme token on the planet as 100% of the fees and revenues generated from social engagements and future utility deployment will be used to Buy & Burn $VBNT.

As portrayed in the Marvel Comics Lore, Vibranium $VBNT will be the Rarest and Most Valuable MEME token in existence. All you need to do is sit back and Relax.
